The Baron Resort Sharm El Sheikh, a 5 stars deluxe resort & the Baron Palms Resort Sharm El Sheikh, a boutique 5 stars resort are positioned majestically facing the Straits of Tiran, with over 500 meters private beach, in “Ras Nosrani” Christian’s Head. For years this broad stretch of beach, bounded by flat hills have enjoyed immense popularity. In general, the reef wall and its associated coral slopes are worth repeated exploration. The Baron Resorts idyllic holiday location at the water edge will naturally make luxurious comfort and relaxation a reality.

Sinai

One of the few remaining places on earth almost untouched by modern civilization, Sinai “the Land of Turquoise”, is a rocky triangle of holy places, pilgrim trails and military outposts. Modern visitors follow in the footsteps of legendary Gods and Goddesses, ancient warriors and biblical heroes. Sinai remains a land of verdant oases, flat desert expanses and towering granite mountains, where the Goddess Isis came in search of Osiris, where Alexander the Great fought, where Mosses received the Ten Commandments, and through which the Holy Family travelled en route to Egypt.

Sharm El Sheikh

At the southern tip of Sinai, Sharm El Sheikh has some of the finest snorkeling and diving sites in the world. It is also popular for its fishing, climate and as a place simply to relax in. It is noted for its sulphur springs, which are considered cure for rheumatism and skin complaints.

Tiran Island

At the entrance of the Gulf of Aqaba you can see Tiran Island. The waters between Tiran Island and the private beach of the Baron Resorts are the Straits of Tiran, the only entrance of shipping to Aqaba and Eilat. Tiran itself is out of bounds, but the reefs around it are not, i.e., Gordon Reef to the north, Jackson Reef to the south, Woodhouse and Thomas Reefs in the middle, these renowned reefs are more frequented by divers than Ras Mohamed
